8. CONCLUSION

Service

By applying for scholarship support you are freely agreeing to support the school in some way. Please choose any/all areas that apply where you or a family member may be of service: *Check (✓)*

- ☐ **Be an active Parent Partner** (*Outreach, Transitions or PTA*) ☐ **Proctor Tests** (*when needed*) ☐ **Make a donation to the Annual Giving Fund**
☐ **Volunteer in some way:** _____ ☐ **Other:** _____

NOTE: The school's fundraising efforts provides the support needed to have NIS scholarships. As a beneficiary of this support, NIS expects families receiving scholarships to contribute in any way possible to the school's fundraising efforts (i.e. the Annual Giving Fund, Community Raffle, etc.) and by encouraging awareness for the need to support the schools fundraising efforts in the community. Of course, in the event that a scholarship family finds its financial situation significantly improved, the school hopes that they will choose to make a more substantial gift to the Annual Giving Fund so that the scholarship committee can continue to support other families in a similar way.

Future Family Financial Projections

Please indicate below your family's most likely situation: *Check (✓)*

- ☐ **We believe that this is a short term request and that a scholarship will no longer be necessary within the next 1-2 years**
☐ **We believe that our need for a scholarship will be reduced within the next 1-2 years**
☐ **We believe that our financial situation will remain the same for a number of years**
☐ **We believe that our financial situation will require an increase in scholarship support in the future.**

9. SIGNATURE

In applying for scholarships from Nagoya International School, I/we conscientiously declare that the answers to the questions in this form and any others to be subsequently shared either verbally in writing concerning this application are true and complete. I/we understand that offers of scholarship may be withdrawn in the case that statements made are found to be inaccurate or misleading and that, in the cases of serious breaches, the school has the right to pursue appropriate channels to recover funds that have been wrongly awarded based on deliberately false or misleading information. I/we understand that scholarships are awarded on the understanding of a positive and supportive relationship between home and school. NIS has the right to refuse or revoke scholarships in the case it deems that a family is not acting in the best interests of a positive home-school relationship or whose actions are otherwise detrimental to the smooth functioning of school operations and community wellbeing. I/we also understand that students receiving scholarships are expected to observe accepted standards of behavior.
