

Nagoya International School

Parent Partner Charter

Approved at the Annual General Meeting on May 18, 2022

SECTION 1 Definition and Purpose

1.1 Purpose - NIS is a non-profit school established and sustained by a parent community committed to maintaining a strong international school for their children. A close partnership with parents is essential so the school remains current and relevant to the children we serve and delivers our mission to the families who need us.

NIS seeks a partnership with parents through our 'Parent Partners' - a diverse team of volunteer parents who use their own personal skills, circumstances, and attributes to support and develop the school.

1.2 Definition - The Parent Partners are divided into three strands, each with their own unique directive in supporting the school: Outreach Parents, Transitions Parents, and the Parent-Teacher Association (PTA). But as a complete team, the role of the Parent Partners is to be a supportive circle of critical friends to the school. This includes starting or evaluating a new initiative or helping to better understand a current issue or opportunity.

1.3 Autonomy and Ultimate Authority - While all three groups are autonomous as defined in this charter, all three sit together within the umbrella of the Nagoya International School. Ultimate authority for all three groups, therefore, sits with Nagoya International School.

SECTION 2 Core Team

2.1 Constitution of the Core Team - The Parent Partner Core Team is constituted as follows:

- Parent Partner Liaison to the NIS Board of Directors
- Outreach Chair(s)
- Transition Chair(s)
- PTA President
- Head of School
- Director of Admissions & Development
- Development Office Staff

2.2 Appointment of Members to the Core Team - Of the above positions, the Parent Partner Liaison to the NIS Board of Directors, Director of Development, and Head of School are automatically members of the Core Team. The Outreach and Transitions chairs are appointed by the Head of School on the recommendation of the Parent Partner Liaison to the NIS Board of Directors. The PTA President is elected following the process outlined in this charter. The Development Office Staff member is appointed by the Head of School as recommended by the Director of Admissions & Development.

The Parent Partner Liaison to the NIS Board of Directors is recommended by the Core Team and, for as long as (s)he holds the office, is a member of both the PTA Board and the NIS Board of Directors in addition to being a member of the Parent Partner Core Team.

2.2 Purpose of the Core Team - The core team is responsible for the strategic direction of the Parent Partner Program in line with the school's mission and guiding statements and the commitments made within the Parent Partner Charter.

While operational decisions remain within the remit of each of the three autonomous strands of the program, as defined in this charter, the Core Team should ensure synergy across the three groups, should ensure each sub-group has sufficient support and should be available to arbitrate any matters of contention that cannot be resolved internally within the strands, in accordance with the charter.

2.3 Parent Partner Liaison Position - The Parent Partner Liaison serves as a full Board Member on the NIS Board of Directors. They hold full responsibilities as all other board members in addition to serving the liaison role. When a vacancy for the position exists on the Board of Directors, this shall be filled by appointment by the Board of Directors, taking into account the recommendation of candidate(s) submitted to the Board Nominations Committee from the Parent Partner Core Team. Once appointed, the person fulfills that role indefinitely, in accordance with the constitution of the NIS Board of Directors.

The Parent Partner Liaison role is intended to ensure a close relationship between the NIS Administration, all three strands of the NIS Parent Partners (PTA, Transitions, Outreach), and the NIS Board of Directors. The Parent Partner Liaison supports the work of the three-strand chairs (PTA President, Outreach Chair, Transitions Chair) and raises awareness of and advocacy for the Parent Partners within the community. In addition to serving on the NIS Board of Directors and chairing the Parent Partner Core Team, the Parent Partner Liaison is also automatically a member of the PTA executive committee.

2.4 Role of the Development Office - The Development Office is responsible for supporting and sustaining the Parent Partner Program through the maintaining of an accurate database and support with communications and logistics for all Parent Partner-related activities and events.

2.5 Meetings - Core team meetings should be held at least once per semester.

SECTION 3 Outreach

3.1 Purpose of the Outreach Group - Outreach Parent Partners support the school spreading the good name of NIS throughout their community networks so that families who might benefit from an NIS education become aware of our unique school and what we can offer to their children.

A strong student enrollment benefits everyone by allowing us to offer a greater variety of courses and activities, improve teaching, and learning, and better deliver on the mission.

3.2 Outreach Activities - Activities may include:

- Speaking about the school when the conversation naturally comes up in social and work networks (friends, coworkers, clubs and social groups, churches, etc.)
- Volunteering to support at an Outreach Event
- Initiating an Outreach Event, with the support of the school
- Creating opportunities for NIS administration or staff to talk about the school or about education within local groups

Working as an Outreach parent can be a 'solo' or 'collaborative' endeavor. It is about each parent using their own circle of influence to promote the school in whatever ways they can.

3.3 Outreach Leadership - The appointment of the leader of the Outreach team is made by the Head of School in consultation with the Parent Partner Liaison, the wider Parent Partner Leadership Team, the Admissions & Development Office, and only after the availability of the position has been announced to the Parent Partner group membership. The Head of School may appoint a single chairperson or, alternatively, may appoint two co-chairs, each with a clear remit of responsibility and one of whom should serve as the overall lead for the group.

SECTION 4 Transitions

4.1 Purpose of the Transition Group - The Parent Partners support families considering moving to NIS. Volunteer Transition parents, under the organization of the Chair(s) and supported by the Admissions & Development Office, are connected to a similar family (i.e. language, similar age children, background, etc.) to make contact and offer support. The aim is to help new families make good decisions for their children and, should they decide to come to NIS, better transition into our community.

4.2 Transitions Activities - Activities may include:

- Contacting potential NIS families when they request a Transition Parent connection to answer questions and give council about the school
- Giving tours of the school as a parent guide

- Helping at Open Houses for a peer discussion with potential new families
- Helping new families connect to the PTA or other Parent Partner strands after being accepted and/or enrolled at NIS

4.3 Transitions Leadership - Leadership of Strand Two: The Transitions Team

The appointment of the leader of the Transitions team is made by the Head of School in consultation with the Parent Partner Liaison, the wider Parent Partner Leadership Team, the Admission & Development Office, and only after the availability of the position has been announced to the Parent Partner group membership. The Head of School may appoint a single chairperson or, alternatively, may appoint two co-chairs, each with a clear remit of responsibility and one of whom should serve as the overall lead for the group.

SECTION 5 PTA

5.1 Purpose of the PTA in the Context of the Parent Partners - PTA Volunteers are the third important strand of the Parent Partner Initiative at NIS. While the outreach and transition partners help families in their journey to joining NIS, once families are here, the PTA helps newly admitted families to connect with current families at NIS. The PTA works with the school to improve opportunities for our students and supports the community of parents living and working in Nagoya. While many parents become regular members of the PTA and attend PTA events, PTA Volunteers step up to actively lend a hand in the organization, perhaps by serving on the board or on an organizing committee for events that benefit the NIS community, raising funds, or both. Being a class parent or providing an educational experience for parents are also possible roles. The list of possibilities is endless.
